## **About Sandhurst Town Council**

The Council has encapsulated its overall objectives in its Mission Statement as follows:

"Working within its legal and financial limitations, Sandhurst Town Council will endeavor to constantly improve the quality of life and community safety of all residents, either directly, or by working with others."

The parish of Sandhurst was created in 1894. The Parish Council became a Town Council in 1974. Today there are approximately 22,000 inhabitants within the four wards of Little Sandhurst, Central Sandhurst, Owlsmoor and College Town.

The Council consists of 24 Members. The work of Councillors not only involves attending Council and Committee meetings but also dealing with residents' concerns and representing the Council to other organisations. Within the Sandhurst Town Council all Councillors carry out their duties on an unpaid basis.

Meetings of the Council and its Committees are open to the public and notification of the main meetings is given on notice boards and on the Town Council website.

Full Council Meetings are chaired by the Mayor, and business detail is delegated to four main Committees (Planning, Environment, Leisure and Strategy & Policy Committee). The responsibilities of each Committee are detailed in this document. The Council and its Committees meet bi-monthly and a schedule of the proposed meeting dates for 2019/2020 Council year is attached in appendix C.

Important note: The schedule of meetings is subject to change in May 2019 when the next Full Council meeting will take place. It is not anticipated to change but the website [www.sandhurst.gov.uk](http://www.sandhurst.gov.uk) should be checked at the end of May to confirm the valid meeting schedule for 2019/20.

All of the Council's services are administered from the Council Offices on the Sandhurst Memorial Park, which are open Monday to Friday from 9.00 am - 5.00 pm.

## MAYOR'S REPORT 2018/19

Since I became Mayor I will have attended over fifty engagements across various organisations and groups both in Sandhurst and Bracknell, and further afield across Berkshire. Many of these were AGMs of organisations who work hard to provide a service to their members and the local community. They have invited me as their guest enabling an insight into their work, understanding the service they provide, often on a voluntary basis. These would typically include the Scouts, Homestart, Berkshire Vision, Mencap, Keep Mobile, Involve and The Blackwater Valley Trust.

I have also presented prizes at the Summer Gardening Club show, along with many other clubs and organisations in Sandhurst. During my year I have had the opportunity of meeting the High Sheriff on several occasions as well as invitations to the Royal Military Academy for the Passing-out Parade and recently was there at the Pride of Bracknell Forest Awards.

My most notable event of the year was the celebrations of the Anniversary of Awarding the Freedom of the Borough to the Royal Military Academy Sandhurst and later in the year I had the honour of laying the first wreath at the Remembrance Service, not as cold as in previous years, but well attended with the support of the RMAS.

The event has grown and grown over the years and now provides a fitting tribute to those who gave so much to us. It is encouraging to see so many local groups who are represented on this occasion to lay their wreaths, both old and young alike recognising the importance of the day. I would like to thank those who help make this event the occasion it is, allowing our residents to pay their respects.

During my year of office, I will have raised nearly £2,000 for my chosen charity, The Gurkha Welfare Trust who helps support those in need both in this country and in Nepal. I would like to thank my fellow Councillors, friends, residents and businesses who have given generously to a wide range of events which have been organised or by giving donations.

My term of office began last May when I took over to chair the Town Council meetings as well as attending Planning, Environment, Leisure, Strategy and Policy meetings over the year. This enables me to have a thorough understanding of issues, awareness of work we are undertaking and events planned for the future. I should like to take this opportunity of thanking the committee chairs for their contributions and dedicated work to these committees.

This year's Civic Service, was held at Sandhurst Baptist Church, with Pastor Pete Evens taking the lead.

Back at the Memorial Hall I presented awards to local residents in recognition of their contributions over many years of service in supporting residents in Sandhurst. I was proud to honour those who give their time to help those in giving their time, so others could benefit.

I have thoroughly enjoyed my role as Mayor, both having the opportunity of meeting many residents and organisation who help so much to make Sandhurst the place it is today.

Councillor Andy Blatchford

## **Committee Responsibilities**

### **Planning Committee**

To consider planning applications relating to Sandhurst and make recommendations to Bracknell Forest Borough Council planning department. Performance monitoring.

### **Leisure Committee**

To discuss and resolve items concerning the management and development of the recreation ground facilities and the Community Hall complex, etc. so as to ensure maximum benefit to the residents of Sandhurst and to maximise revenue through appropriate commercial lettings. Recommend spending plans in line with these responsibilities. Performance monitoring.

### **Strategy & Policy Committee**

To recommend to the Council a budget based upon proposals submitted by committees and to appraise the Council of its impact. To make Policy recommendations to the Council. To be responsible to the Council for all aspects of staff employment conditions. To review, manage and control capital projects authorised by the Council. To review and agree all contracts for services and supplies placed on behalf of the Council. Performance monitoring.

## PLANNING COMMITTEE REPORT

The Sandhurst Town Council Planning Committee is the formally constituted consultative body that considers, and may comment on, planning applications submitted within the boundary of the town of Sandhurst, which comprises the wards of Owlsmoor, College Town, Central Sandhurst and Little Sandhurst and Wellington. It also has a consultative role on some applications for developments in adjacent parishes. This Consultative role includes considering applications for listed building consent.

The STC Planning Committee has no powers to determine an application, and acts only to be consulted and comment. Planning applications are determined by Bracknell Forest Council.

Adverse comments by the committee are treated in the same way as objections by members of the public. Similarly, any positive comment in support will be observed in the same manner as one given by a neighbour. It should be noted that any comment is only a valid objection if it is for a proper planning reason. As such we are constrained by planning law.

The consideration encompasses whether there is any detriment to the amenity enjoyed by neighbours, whether the development is in keeping with its neighbouring properties and, whether any deviation from Local and National planning policies or Planning Policy Guidance would be detrimental in the locality, (specific consideration would be given to parking and public amenity, including footpaths, sight-lines and highway safety).

Members of the public are welcome to attend the monthly meetings to observe. However, the committee may suspend the Standing Orders to enable residents' views to be heard. It is appropriate for each person who may object, or support, to write to the BFC planning officer who is dealing with the application. In this way their comments will be given full consideration.

During the last year the committee has dealt with between 12 & 15 applications each and every month. These comprised small and large extensions, new homes and changes of use, not forgetting applications for advertising consent.

I would like to thank all the members of the Planning Committee and especially the officers of Sandhurst Town Council for their administrative support, which has been unstinting through the year. Another special thanks to Cllr Dillon Perera & Cllr Andy Blatchford who has stood in as Chair when the Chair and/or Vice Chair have been called away on business. Also special thanks for their consistent support & attendance to Cllr Peter Hodge & Cllr Sheila Davenport & Cllr Hazel Hill. Thank you for your commitment these last years, much appreciated.

Cllr Gavin Oberholzer, Chairman

## ENVIRONMENT COMMITTEE REPORT

The Environment Committee has a number of responsibilities, one being to ensure that the town is kept free of litter which we do in partnership with Bracknell Forest and our Clean Team. No doubt you have seen, at some point in time, the tricycle around town with bags of litter. We are always looking for sponsors for our Clean Team so if you are interested to become a sponsor, please get in touch with the Town Council's office. In addition we also organise litter pick events from time to time, for specific areas which are brought to our attention. If you have an area of concern, please let us know.

Litter is the nightmare of our environment and no matter what we do or how many bins we place around town, there are still certain individuals who ignore the common sense approach and just drop or throw litter out of their car windows as they pass by. I am also sad to say that we continue to have a problem with some dog owners not picking up their dog poo in the park and other areas around town. Some dog owners also think it is acceptable to leave dog poo bags on the ground or hung in shrubs expecting someone else to pick them up. Please, please take your bags home and be considerate to fellow residents.

We also continue to monitor our footpaths to ensure they are kept free from overgrowth of shrubs as well as free of litter.

A new bench was installed on Yorktown Road near the bus stop almost opposite Gower Park. This bench was awarded to Sandhurst Town Council by Nestlé and was built with materials from recycled coffee pods. We also planted bulbs around the area where the bench is located as well as on the green verge near Ripplesmore Close.

Some of you may have noticed we installed small gates at the War Memorial entrance to protect the area from damage caused by the use of bikes and skateboards. In addition, this year we also had the War Memorial cleaned.

Which brings me to this year's special Remembrance Service to commemorate 100 years of the end of World War One in 1918, a reminder of the enormous sacrifices made by courageous men and women. To mark the occasion, there was a 3 shot gun salute in the Memorial Park. We were lucky that the weather stayed dry and sunny during the service after the early morning showers. The service was very well attended. We raised £2,283.60 for the Royal British Legion Poppy Appeal. Thank you to those residents who contributed towards the appeal for their generosity.

The Committee also supported the prestigious Freedom March event which was the highlight of the year.

The Christmas Lights switch on event was also well attended and it is always rewarding to see the delight on children's faces when Father Christmas comes out and distributes sweets to them. At the end of the service, warm mince pies, mulled wine or soft drinks were offered to all those attending.

Finally, I would like to take this opportunity to thank our Executive Officer, Angela Carey and her team, as well as the ground staff and caretakers who work tirelessly to ensure the facilities in Sandhurst are kept to a very high standard.

Cllr Gaby Kennedy

Chair of Environment

## LEISURE COMMITTEE REPORT

The leisure committee has responsibility for the Memorial park, from sporting activities to the many varied events that take place during the year. It also has Owlsmoor park to maintain.

During the year we have staged many events for the residents of Sandhurst.

In June we had the pleasure of seeing the RMA exercise their right to march through Sandhurst as they have the Freedom of the Borough. It was a spectacular day and as well as seeing the cadets march down Yorktown Road and take the salute in the Memorial Park, we also enjoyed many displays on Brookside Meadow. The evening consisted of acts on the stage, some local and some professional acts. The finale was a fantastic fireworks display which closed the day.

In August we had the summer of fun on Brookside Meadow. Alas the weather was again not kind to us even though the summer had a heatwave! However, many families still braved the conditions and enjoyed the entertainment that was on offer.

The fireworks display proved to be as popular as ever and we again enjoyed a dry evening. We had a variety of food stalls, fairground rides, community stalls and a stage full of acts who give their time free for this great event. I would like to thank all the Councillors who helped steward the parking and also for assisting with the collection for the mayors charity. An even bigger thank you goes to the office staff, ground staff and caretakers for all their hard work throughout the day and evening in ensuring the Park was fit for the following day's activities. This year's event will be taking place on 2<sup>nd</sup> November.

The committee is dedicated to improving the facilities in the park. This year we installed a concrete road from Pistachios car park to Bottom Meadow. This has made the area a lot safer for walkers and drivers.

I would like to say a big thank you to the ground staff and caretakers who work with great passion in providing a Park that the residents can be extremely proud of and also the envy of many neighbouring towns. Additionally I would like to thank the Executive Officer and office staff who help maintain the smooth running of the services we provide.

Finally I would like to thank my vice chairman Mrs Jean Bettison and the rest of the Leisure Committee for all their hard work in maintaining the Memorial Park for all the residents of Sandhurst to enjoy.

Councillor John Porter, Chairman Leisure Committee.

## STRATEGY AND POLICY COMMITTEE REPORT

The purpose of the Strategy and Policy Committee is to ensure that the finances of the Council are managed in an efficient and effective manner. The committee consists of the Chairman and Vice-Chairman of the council, the chairman of each committee and to ensure that there is fair representation, a member from each of the four Sandhurst wards. Apart from the financial control, we also have the responsibility for all aspects of staffing, employment conditions and for setting the policies and procedures by which the Council operates.

As with the other committees of the Council, the Strategy & Policy Committee meet on a bi-monthly basis. However, there are other groups which also report into this committee.

- The Grants Panel is a working group which meets annually to recommend which local causes will benefit from our grants budget.
- The Personnel Sub-Committee which meets regularly throughout the year to look at all aspects of staffing.
- The Neighbourhood Action Group which meets quarterly with other public bodies including the Police

Details of the Town Council's accomplishments this year have been covered elsewhere in this report. All these projects have to be financed and much of the involvement of the Strategy and Policy committee happens very early on in the project cycle when the Council determine how they are to be funded.

One of the major tasks of the year for the Strategy & Policy committee is to determine the budgets for the following year so that the Precept can be recommended for approval by the Council. Each committee is asked to produce a budget for the next fiscal year and these are all pulled together to determine the likely level of expenditure.

The budget sets out the plan for spending in the year, which can be considered in two parts:

- A 'Revenue' element, which is the day to day expenditure of the services and facilities provided, balanced against the income of the Council.
- A 'Reserves' element, which is the maintenance of adequate financial resources to cover unforeseen circumstances such as equipment replacement and to plan ahead for big events, such as the Freedom March to spread the cost over several years.

Where reserves are set aside for a specific purpose they are classed as 'earmarked' reserves. The remaining money which is unclassified is a 'general' reserve.

Across both the Revenue budgets and the Reserves budgets the expenditure can be further classified as 'Core', 'Committed' or 'Subjective'.

A **Core** expenditure is a legal requirement or contractual commitment, such as staff salaries, electricity or buildings insurance cover.

A **Committed** expenditure relates to a project currently in progress such as providing grass sports pitches.

A **Subjective** expenditure is a 'nice to have' provision, which will relate to an expected and enjoyed service, but not a legal requirement or firm commitment and items such as a Christmas Carol Concert or a Dog Warden might come into this category.

The council derives its income from two sources. The majority comes from the Council Tax (90%) and the remainder from the hiring of its facilities.

In the 2019-2020 budget, the total income from the Council Tax is just over £575,000. For the services that the Town Council provides, each Band D household contributes £73.29 – that's just £1.41 a week. This represents a 0% increase in contributions over the previous year. We have managed to maintain a budget with no inflationary increase in eight out of the last nine years despite our underlying costs increasing.

Our expected revenue expenditure for 2019-2020 is around £750,000, around 70% of which is "core" expenditure – the must haves. This includes the use of a significant amount of reserves to replace and enhance some of our existing facilities. The allocation of reserves is also part of financial planning and money is set aside for marking the Centenary of the First World War and for future Freedom of the Borough events, in addition to planning for equipment replacement and improvement works to the buildings.

Aside from the finances, the Strategy and Policy committee also has responsibility for:

- Legal compliance
- Member development and training
- Monitoring the Code of Conduct
- Keeping members up to date with changes in Government policy
- Communications and community engagement
- Vandalism, police liaison, campaigns

## NEIGHBOURHOOD ACTION GROUP

Since our submission last year, four meetings have taken place. The good news is that progress has been made with issues raised by our Sandhurst residents whilst others are Work In Progress.

The meeting dates were:

11 April 2018

11 July 2018

10 October 2018

09 January 2019

Our next meeting will be on Wednesday 10 April at Sandhurst Town Council

We are fortunate in having a breadth of experience based on the 'mix' of participants. Regular contributors are:

- Head teachers
- Police
- Police Point member
- Residents Association Chairmen
- Residents
- Bracknell Forest Council
- Councillors

Looking back through the minutes generated by our Executive Officer, Ang Carey, we can report that the following actions have been closed off:

1. Removal of advertising signs on resident walls
2. Removal of graffiti on mobile phone cabinets etc.
3. Macadam resurfacing of access road to rear car park of Tesco Express following intervention of Dave Lewis CEO of Tesco plc.
4. Installation of illuminated RACKSTRAW FARM sign at crossroads following pressure applied on Whitbread and their advertising agent Vado.
5. Speed measurement on Marshall Road by Constable Way in conjunction with TVP. 12% of vehicles were at 35 m.p.h. or above westbound with none recorded eastbound.
6. Double yellow lines on York Way supported by 'no parking' signs for Uplands Primary School during opening/ closing hours.
7. Installation of 5 additional parking spaces at 44 Yorktown road (opposite the Immaculate Conception Church) This will ensure that the grass verges return to their former condition.

### **Outstanding:**

1. Additional cycle lanes including continuation of cycle lane from Broadmoor hospital roundabout on A3095.
2. Engagement with Thames Valley Police and landlords on serving Section 61 document where traveller incursions occur.
3. Parking on grass verge on road adjacent to The Broadway
4. Inconsiderate parking at road junctions obstructing sight lines
5. Gravel migration onto roads when front gardens adapted for vehicle parking
6. Traffic lights and pedestrian crossing at junction of Owlsmoor road and Rackstraw road.
7. Purchase of specialist Speedwatch equipment to allow councillor engagement without the need for Thames valley police attendance. This will require training in use of the iPad/ wireless transmission of speeds Speed monitoring will be undertaken when resident requests received.

Last but not least, we are always pleased to introduce new members who have a perspective on how we can build on the achievements to date. If you would like to join our quarterly Neighbourhood Action Group meetings, please let me know at the end of our council meeting or on

## Audit and Sandhurst Town Council Finances

As explained elsewhere in the report, the annual expenditure on the Council's services is funded mainly by a precept within the council tax bill sent to every household in Sandhurst, plus charges paid by those using the Council's facilities such as sport pitches and the Community Hall complex. Like other local Councils, the Council does not receive any grants from Central Government towards the cost of its services, although it has a proven track record in successfully obtaining external funding for its capital projects.

Alison works tirelessly to collect and recycle in the community to raise money for Stepping Stones, a charity which supports children and young people with Down syndrome and their families.

Alison is very active in the local community encouraging others to recycle different items such as crisp packets, pringle tubes, as well as coffee pods and plastics.

Alison is raising awareness for both the environment and the charity that she supports.

Her dedication is worthy of recognition.

### **John Williams**

John has been nominated for this award for his contribution to the Sandhurst Voluntary Care organisation.

John is the Chairman of the organisation and has been involved in steering them through DBS requirements for all drivers as well as implementing the GDPR regulations.

He is also a driver assisting people to get to their medical appointments.

In addition to this John volunteers with the National Trust, delivers magazines for the Sandhurst Residents Association and regularly joins local litter picks.

### **Niki Partner**

Niki supports the Remembrance Service every year in her capacity of Assistant Group Scout Leader. For many years Niki has taken on the voluntary role of organising and supporting the youth flag bearers.

This helps the children to be more confident in the procession. She then leads the flag bearers on the march and stands with them throughout the whole service.

Some of the children are as young as 5 years old and Niki's reassuring friendly face helps to calm their nerves and to encourage them.

Niki's dedication to supporting the youth is to be commended and she is well deserving of this award.

He is encouraging girls to be fit and healthy by giving them the options to get outdoors and get off their phones and gadgets.

Joe's contribution to the local community is to be congratulated and he is well deserving of the public recognition for his commitment to his team.

## **Grants to Voluntary and Other Organisations**

Each year the Council makes grants and partnership contributions to local organisations providing services within the community. Making grants is a way of recognising the valuable contribution made by other organisations and contributing towards community life in Sandhurst.

A list of grants for the year 2019/2020 is shown as Annexe A.

Cheques are presented at the Annual Town Meeting, where the organisation has been able to provide a representative.

Future applications for grants are welcomed and the deadline for applications is the 31<sup>st</sup> December each year, for grants that will be awarded in the following financial year. (The financial year end for the Town Council is 31<sup>st</sup> March in each year.)

To illustrate: as the next deadline for applications is 31<sup>st</sup> December 2019 the Town Council will consider at this time all applications for Grants to be paid within 2020/21 financial year, i.e. cheques will be presented in April 2020.
