### **The Great British September Clean will take place 11 – 27 September 2020.**

Tackling litter is an absolute priority, and never before has it been so important for our community to come together to take part in this amazing campaign. We know that taking part in community action has positive effects on our mental health and, right now, anything we can do to unite British citizens and empower communities to make a difference during these uncertain times is so important.

This year, you can support the Great British September Clean by encouraging your communities to:

1. Visit our website and [Organise a private group clean-up](#) with up to five family and friends or [pledge to do their own individual litter-pick](#)
2. Make some noise about the campaign using their social media accounts using the hashtag #GBSeptemberClean.

Right now, a lot of things are uncertain, but our passion for tackling litter and our love for the environment will not falter. Thank you for your help unite to communities and ignite passion in others for protecting the beautiful environment we share.
