ANNEXE 2: BFC Women & Girls Safety Charter	
Meeting: Town Council	Date: 3rd September 2026
Agenda item: 11	Author: Angela Carey

1. Purpose of report

To appraise the Sandhurst Town Council of the Bracknell Forest Council Women & Girls Safety Charter.

2. Background

The Bracknell Forest Women and Girls Safety Charter was officially launched on Wednesday, 19 August. The charter recognises a simple but powerful message: everyone has the right to feel safe.

A number of businesses, school representatives, community groups, charities, public services and other organisations across Bracknell Forest attended the launch event. Attendees heard from local leaders and partners about the role everyone can play in preventing violence against women and girls and were invited to sign up to the charter and commit to making the borough safer.

The core aims of the charter are to support women and girls in going to work, attending school or college, enjoying parks and public spaces, using public transport, visiting local businesses and spending time with friends without fear of harassment, intimidation or violence.

Violence against women and girls remains one of the biggest challenges facing society. Around one in eight women experienced domestic abuse, sexual assault or stalking in the year ending March 2025. Violence can often take many other forms, including sexual harassment, coercive and controlling behaviour, and online abuse.

The charter has been developed to support a whole-community approach to tackling these issues, recognising that creating safer environments is not just the responsibility of the police, but of everyone who lives, works and provides services in Bracknell Forest.

Organisations were encouraged to sign up to the charter, committing to a set of nine pledges designed to help improve safety, strengthen support and promote a culture of respect and inclusion.

The charter is supported by a practical toolkit to help organisations turn their commitments into action.

The 9 pledges are –

- 1. Commit to the charter: Support the aims of the Women and Girls Safety Charter and embed its principles in your organisation.**
- 2. Take a zero-tolerance approach: Make clear that harassment, abuse, intimidation, discrimination and unwanted behaviour towards women and girls are not acceptable.**

3. **Design safety in:** Consider safety and inclusion when planning spaces, services, events, communications and day-to-day operations.
4. **Offer support and safe spaces:** Provide or promote access to appropriate support, signposting and safeguarding for anyone who feels vulnerable or unsafe.
5. **Build awareness and confidence:** Encourage training and culture change so staff, volunteers and partners can recognise, prevent and respond to harmful behaviour.
6. **Encourage allyship and shared responsibility:** Support active allyship which challenges harmful attitudes and promotes respectful relationships.
7. **Make reporting clear:** Promote trusted and accessible ways for women and girls to report concerns or incidents and know they will be listened to.
8. **Be accountable:** Review practice, learn from feedback and incidents, and be open about action being taken to improve safety and inclusion
9. **Put victims first:** Respond with dignity, respect, confidentiality and without judgement, giving people choice and support wherever possible.

The charter has 2 parts:

1. A public pledge: a visible commitment showing that the organisation supports the purpose and vision of the charter.
2. An implementation toolkit: practical guidance to help signatories put the charter pledges into action.

There is no cost to sign up.

Cllr Mrs Leigh Quigg has requested that STC consider the points below in addition to the proposed motion -

Sandhurst Town Council formally endorses the [Bracknell Forest Council Women & Girls Safety Charter](#).

This Council commits to aligning its existing operational practices with the Charter's principles within its statutory remit, current budgetary allocations, and existing resource limits, ensuring no additional burden is placed on the local taxpayer.

The Council notes that the Charter's Core Values around; sexual harassment and intimidation, domestic abuse and coercive control, stalking and obsessive behaviour, public space harassment and online abuse and digital misogyny, together with the Nine Key Pledges, **reinforce our ongoing commitment to community safety, law and order, and civic responsibility:**

1. **Commitment to the Charter:** Endorsing its core principles within our local operations.
2. **Zero Tolerance for Abuse:** Maintaining clear standards of conduct across council-managed facilities.
3. **Prevention by Design:** Reviewing the security of existing parish assets, such as Sandhurst Memorial Park, through common-sense safety measures.

4. **Support in Safe Places:** Using existing council venues to signpost residents to available borough support services.
5. **Training and Culture Change:** Promoting awareness among staff and users of council facilities utilizing Bracknell Forest Council's free resources.
6. **Shared Responsibility:** Supporting a community culture that rejects anti-social behavior and harassment.
7. **Clear Reporting Methods:** Ensuring public information on how to report incidents to **Thames Valley Police** is clearly visible on council premises.
8. **Transparency and Responsibility:** Keeping our internal health, safety, and safeguarding policies up to date.
9. **Victim-Survivor-Centred Responses:** Signposting individuals to professional, dedicated support frameworks managed by the principal authority.

3. Recommendation

To sign up to the BFC charter and to consider other relevant practises that have been suggested.

ANNEXE 3: Executive Officer's Report	
Meeting: Town Council	Date: 3rd September 2026
Agenda item: 13	Author: Angela Carey

1. Purpose of report

To appraise the Sandhurst Town Council of any important operational matters in the period July 2026 to August 2026 and to update regarding work ongoing from previous decisions of the Town Council.

2. The new slide is finally open and the Leisure Enhancements Project has been completed.

3. The refurbishment works for the ladies inside toilet and office started 24th August and will take approximately seven weeks. Hirers have been informed of the limitations of inside toilet facilities and potential noise from the ongoing works. Notification of the office closure and how to contact staff have been published on the website and social media.

4. The Music Festival was an enormous success. It attracted in the region of 10,000 people and was widely praised by the public. The drone show was extremely well received. I would like to give thanks to those Councillors who volunteered their help at the event.

5. The Summer of Fun Event was one of the busiest seen in recent years. The enjoyment on the faces of the attendees was evident and the day was a triumph. Once again, I would like to thank those Councillors that helped at the event.

6. Due to the condition of the pitches on Brookside Meadow caused by the prolonged weather there will be no training, and no matches authorised on these areas for at least the next 6 weeks (the timescale will be fluid and will be dependant on the progress of works and the weather) The Head Groundsman has sought expert advice and has begun a maintenance programme this week with chain harrowing the field. There is extensive work to do including drilling and seeding.

SFC have been included in the discussions about the pitches and are in agreement that they should not be used. They have agreed to penalise anyone found to be using the area for training during this time.

STC will levy the unauthorised usage fees to the club should anyone be found to be using the field during this time.
