

POLICY RE THERMAL IMAGING CAMERA

Sandhurst Town Council have purchased a thermal imaging camera for residents to use to identify ways to reduce heat loss in their homes. The camera can be hired free of charge from the Council Offices, Memorial Park, Yorktown Road, Sandhurst GU47 9BJ.

The terms & conditions are below-

- When hiring the camera from the Council Office a booking form and photographic identification will be required.
- A returnable deposit of £20 will be required and is payable on collection of the camera. This will be refunded on receipt of the camera providing all conditions are met.
- The duration of the hire of the camera will be 7 days. The deposit will be lost if the camera is not returned by the deadline. Extensions may be available subject to demand.
- The date of the hire will be allocated by the office on a first come first served basis when capacity is reached.
- The camera is for the sole use of the person collecting the device and must not be lent out.
- Users will be liable for the replacement or repair of the camera in the event of damage or loss.
- Instructions for using the camera are provided.
- Sandhurst Town Council will not advise on how to improve the thermal efficiency of your home.
- Sandhurst Town Council and are not liable should there be no improvement to the thermal efficiency following any changes you make to your home.
- Any changes made may not improve your Energy Performance Certificate rating.
