We are proud to announce that Sandhurst Memorial Park & Shepherd Meadows have been awarded Green Flag status for the 17th Year running.

If the ongoing Covid-19 pandemic has taught us anything it is how much we value our local parks and green spaces.

All year round, an army of unsung dedicated parks staff and volunteers look after these treasured spaces, and tonight, landmarks across the country, including the White Cliffs of Dover, the London Stadium in Queen Elizabeth Olympic Park, and Salford's Media City, will be going green to celebrate this year's Green Flag Award-winning parks and green spaces and to say a massive "Thank you" to the thousands of people who work tirelessly to give us some fantastic places to escape to.
